

Jeffrey David Gould, M.D.

NEUROLOGY AND SLEEP MEDICINE, P.C.

510 Delaware Ave.
Bethlehem, PA 18015
(610) 866-6614, Fax (610) 866-8836
Website [www. DrGouldMD .com](http://www.DrGouldMD.com)

Education

1998-1999 MCP Hahnemann University Clinical Neurophysiology Fellowship
(Philadelphia, PA)
1995-1998 Pennsylvania Hospital/ University of Pennsylvania Neurology
Residency (Philadelphia, PA)
1994-1995 Lehigh Valley Hospital Internal Medicine Residency (Allentown, PA)
1990-1994 Hahnemann University Medical School (Philadelphia, PA)
1989-1990 Hahnemann University Graduate School Medical Science Track
1985-1989 Emory University (Atlanta, GA)

Board Certifications

2001 Diplomate, American Board of Sleep Medicine
2000 Adult Neurology

Medical Licenses

Pennsylvania MD
Federal DEA Number provided upon request

Professorships

2007-Present Clinical Professor at Lock Haven University (Lock Haven, PA)
2007-Present Clinical Professor at Arcadia University (Glenside, PA)
2004-Present Clinical Professor of DeSales University (Allentown, PA)
2002-Present Clinical Instructor at Philadelphia College of Osteopathic Medicine
2001-2009 Clinical Assistant Professorship at Temple University
(Philadelphia)
2000-2001 Clinical Associate Professor at Allentown College for Physician's
Assistant Preceptorship

Hospital Privileges

Active St. Luke's Hospital and Health Network- Bethlehem Campus
Active Lehigh Valley Hospital and Health Network- Muhlenberg Campus
Active Westfield Hospital (Allentown, PA)
Active Triumph Hospital (Easton, PA)

Honors

- 2009-Present Member, Governing Board, Westfield Hospital
- 2009-Present Chief of Medicine, Westfield Hospital
- 2008-2009 Founder, Lehigh Valley Peripheral Neuropathy Support Group
- 2007-2009 Board Member of Jewish Day School (Allentown, PA)
- 2007 Inclusion in *The Global Directory of Who's Who 2007 Edition*
- 2006 Inclusion in *Who's Who in Global Research*
- 2005 Inclusion in Consumer's Research Council of America's "Guide to America's Top Physicians" 2004-2005 edition
- 2003-2006 Subspecialty Education Coordinator, Neurology, St. Luke's Hospital (Bethlehem, PA)
- 2003-2006 Trustee of the Board of Temple Beth El (Allentown, PA)
- 2003 Medical Director of The Lehigh Valley Insomnia Center
- 2002-2003 Presenter of the Year, Family Practice Residency, St. Luke's Hospital
- 2002-2006 Chairperson Graduate Medical Education Committee at St. Luke's Hospital
- 2001-Present Fellow, American Academy of Sleep Medicine
- 2001-2004 Co-creator of the Lehigh Valley Monthly Neurosciences Conferences
- 2001-Present President, Neurology and Sleep Medicine, P.C. (Bethlehem, PA)
- 2001 Medical Director of The Sleep Disorders Center at Lehigh Valley Hospital- Muhlenberg (Bethlehem, PA)
- 2000-Present Assistant Director and Performance Improvement Coordinator of the St. Luke's Hospital Sleep Disorders Center
- July 1997 -1998 Chief Neurology Resident at Pennsylvania Hospital

Research Experience

- 2009-Present "Investigation of the Occurrence of Serotonin Toxicity in Parkinson's Disease (PD) Patients Treated Concomitantly with Rasagiline and Antidepressants, Using Retrospective Chart Review." Principle Investigator. In progress.
- 2009-Present "A Phase III, randomized, double-blind, placebo-controlled, multicenter clinical trial of oral Cladribine in subjects with a first clinical event at high risk of converting to MS." Principle Investigator. In progress.
- 2009- Present "An international double-blind, randomized, multi-center, parallel group, historical-control conversion to monotherapy study to evaluate the efficacy and safety of Brivaracetam in subjects (>16 to 75 years old) with partial onset seizures with or without secondary generalization." Principal Investigator. In progress.
- 2009- Present "A phase II, multi-center, randomized double-blind, placebo- controlled, safety, tolerability and efficacy study of add-on Cladribine tablet therapy with interferon-beta (INF-B) treatment in Multiple Sclerosis subjects with active disease. Principal Investigator. In progress.
- 2009-2010 "A multicenter, randomized double-blind, placebo- and active- controlled, crossover study to evaluate the safety and efficacy of MK-0974 in the treatment of acute migraine in patients with stable vascular disease. Principal Investigator. In progress.
- 2007-Present "Tysabri Global Observation Program in Safety [TYGRIS] study." Principal Investigator. In progress.
- 2007-Present "Multi-center, open-label study to evaluate the effects of Natalizumab treatment on fatigue and cognition in subjects with relapsing forms of MS (The ENER-G study)" Principal Investigator.
- 2005-2009 "A multi-center, randomized, double-blind placebo controlled study assessing the add-on effect of oral steroids in relapsing remitting multiple sclerosis subjects treated with glatiramer acetate (GA)." (Also known as ASSERT Study) Principal Investigator.
- 2007-2008 "ESCAPE" study: "Effect of Septal Closure of Atrial PFO on Events of migraine with the Premiere device." Multi-center study. Principal Investigator.
- 2006-2007 "A prospective, multi-center, randomized, open-label study with blinded raters to evaluate the effects of immediate versus delayed switch to Stalevo on motor function and quality of life in patients with Parkinson's disease with end-of-dose wearing off." Principal Investigator.
- 2005-2006 "A randomized, parallel-group comparison of treatment with pharmacotherapy or adjunctive vagus nerve stimulation therapy for pharmacoresistant partial seizures: a large simple effectiveness trial." Principal Investigator.
- 2005 "A Phase 3, Randomized, Double-blind, Placebo-Controlled, Parallel Group Study to Assess the Efficacy and Safety of Provigil (modafinil) Treatment (200, 400, and 600 mg/day) in Children and Adolescents With Excessive Daytime Sleepiness Associated with Narcolepsy." Principal Investigator.

Research Experience (continued)

- 2005 "A Phase 3, Randomized, Double-blind, Placebo-Controlled, Parallel Group Study to Assess the Efficacy and Safety of Provigil (modafinil) Treatment (200, 400, and 600 mg/day) in Children and Adolescents With Excessive Daytime Sleepiness Associated with Sleep Apnea/Hypopnea Syndrome." Principal Investigator.
- 2004 "The effects of Donepezil for the return of cognitive function following ischemic stroke"; original research, sponsored by Pfizer.
- Summer 1991 Temple University Neurology Department Clinical Researcher
Advisor: Dr. Jeffrey I. Greenstein, Chairman of Neurology
- Summer 1989, Technician at Microsurgical Research Center of Eastern Virginia
1987, 1986 Medical School (EVMS) (Norfolk, VA)
Advisor: Dr. Julia K. Terzis, Microsurgical Research Center Director

Authorized Speaker

Pfizer, Glaxo-Smith-Kline (GSK), Cyberonics, Forrest, Sanofi, Merck, Boehringer-Ingelheim, Biogen-Idec, Eli Lilly, UCB, Teva, and Ipsen Pharmaceutical companies
National Multiple Sclerosis Society

Paid Consultant

Gerson Lehrman Group (New York City, NY)

Television Appearances

- July 7, 2008 Channel 69 News article on use of Vagal Nerve Stimulator to treat epilepsy
- November 2004 "Doctor brings new therapy to Valley" Channel 69 News article on being the first office in Pennsylvania to provide the anti-MS medication Tysabri
- January 2004, "Talk with Your Doctor" 30-minute television call-in program on
September 2001, Channel 69 for topic of "Sleep Disorders"
November 1999
- November 2003 "Sleep Disorders: A living nightmare" episode of The John Walsh Show on NBC, Sleep Medicine expert
- March 2003 "Talk with Your Doctor" 30-minute television call-in program on

- July 2002 "Sleep disorders: Their diagnosis and treatment" St. Luke's Hospital, Allentown campus to general public
- May 2002 "Sleep disorders: Their diagnosis and treatment" St. Luke's Hospital Family Practice Grand Rounds
- April 2002 "What Is a Peripheral Neuropathy?" to Lehigh Valley Peripheral Neuropathy Support Group (Pfizer)
- April 2002 "What Is Epilepsy?" to Epilepsy Foundation, Southeastern Pennsylvania Chapter
- February 2002 "Epilepsy in the new millennium" and "Sleep Disorders" to health care providers at ClearView Clinic (Mount Pocono, PA)
- November 2001 "Neuropathies" to Family Practice Residency of St. Luke's Hospital, Bethlehem and Allentown campuses
- September 2001 "How to sleep" to Heart Surgery Staff of St. Luke's Hospital
- May 2001 "Sleep deprivation in the ICU" Core Curriculum Series for St. Luke's Internal Medicine, Surgery, and Family Practice housestaff
- May 2001 "Neurologic disease in pregnancy" to St. Luke's Hospital Obstetrics-Gynecology housestaff
- May 2001 "Why isn't this ICU patient awake?" Core Curriculum Series for St. Luke's Internal Medicine, Surgery, and Family Practice housestaff
- May 2001 "What is a sleep disorders center" to Lehigh Valley Hospital-Muhlenberg Advisory Committee
- February 2001 "Sleep Disorders for Dummies," to Lunch and Learn conference at Air Products Incorporated, Corporate Headquarters (Allentown)
- November 2000 Faculty for "Medication Booth" at Epilepsy Education and Wellness Fair of Epilepsy Foundation of Southeastern Pennsylvania (Philadelphia)
- October 2000 "Headaches: Evaluation and treatment" to St. Luke's Hospital Family Practice housestaff and attendings
- October 2000 "Dizziness versus vertigo" to St. Luke's Hospital Emergency Department housestaff and attendings
- September 2000 "Sleep Hygiene" to Easton Hospital Internal Medicine Grand Rounds CME credit given

Presentations (continued)

- July 2000 "Epilepsy in the new millennium" to Bethlehem Steel Family Practice
- October 1999 "Sleep disorders: Their diagnosis and treatment" to Ear-Nose-Throat Specialists of St. Luke's Hospital, CME credit given
- October 1999 "Sleep disorders: Their diagnosis and treatment" St. Luke's Hospital Internal Medicine Grand Rounds, CME credit given
- October 1999 "Sleep disorders: Their diagnosis and treatment" to Linden Street Medical Practice (Bethlehem, PA), CME credit given
- September 1999 "Stroke: Diagnosis and treatment" to St. Luke's Hospital Internal Medicine housestaff
- January 1999 Neurology case studies two-hour workshop to MCP Hahnemann University second year medical students
- December 1998 Neurologic physical exam two-hour workshop to MCP Hahnemann University second year medical students
- November 1998 "Sleep disorders and epilepsy," Epilepsy conference for Neurology residents at MCP-Hahnemann University
- November 1998 "The side effect profile of anti-epileptic drugs," Southeast Pennsylvania Epilepsy Foundation Northeast Support Group
- June 1998 "Granulomatous myositis and myasthenia gravis: Two new cases," Thomas Bond Foundation Symposium, Pennsylvania Hospital
- March 1998 "Hypnic headaches: Their diagnosis and treatment" Thomas Jefferson University Hospital (Philadelphia, PA) Sleep Disorders Center
- December 1997 "Olanzapine and agranulocytosis: A case report and review of clozapine similarity," Pennsylvania Hospital Neurology Resident Research Day
- November 1997 "Alzheimer's Disease: The most recent information," Pennsylvania Hospital Neurology Department Grand Rounds
- June 1997 "Unilateral hypnic headache," Thomas Bond Foundation of Pennsylvania Hospital
- June 1997 Poster "Unilateral hypnic headache: A case report and review of the literature" at the American Association for the Study of Headache meeting in New York City Symposium
- June 1997 "Hypnic headaches: Their diagnosis and treatment" Pennsylvania Hospital Neurology Department Grand Rounds
- July 1996 "Seizures: Diagnosis and treatment" Germantown Hospital (Philadelphia, PA) Internal Medicine housestaff
- June 1996 "The one-day acute stroke caremap," Pennsylvania Hospital Neurology Resident Research Day
- June 1996 "Granulomatous myositis and myasthenia gravis," Pennsylvania Hospital Neurology Department Grand Rounds
- February 1996 "Visual pathways" to the Pennsylvania Hospital Neurologic Intensive Care Unit staff
- September 1984 "A trip through the median nerve" Film for Student Research Day at EVMS

Professional Societies

2001-Present Pennsylvania Medical Society, Northampton County chapter
2001-Present Member of Maimonides Society of the Lehigh Valley
1998-Present Fellow, American Academy of Sleep Medicine
1995-Present American Academy of Neurology, Active Member
2003-2006 Politically Active Physician Association
1991-1997 American Medical Association
1990-1992 Phi Lambda Kappa

Employment

2009-Present Chief of Medicine, Westfield Hospital
2008-Present President, Neurology and Sleep Research, LLC
2001-Present Attending Neurologist at Neurology and Sleep Medicine, P.C.
1999-2001 Attending Neurologist at Bethlehem Neurological Associates
1998-1999 Outpatient Neurologist at Bethlehem Neurological Associates
1997-1999 House physician at Friends Hospital (Philadelphia)
1997 House physician for Neurology service at Thomas Jefferson University Hospital

Personal Projects

2005-Present Patent: Treatment of Sleep Apnea, currently under review by the US Patent and Trade Office
2006-Present Book with working title of *Pimp My Brain Series: Headaches*; currently being edited.
2006-Present Book with working title of *Pimp My Brain Series: Guide to Restless Legs Syndrome*; in progress.
